

## **Rental Terms and Conditions**

### **Deposits**

A security deposit is required at time of fitting for each rental by each individual wedding party member. The wedding couple requires no deposit for the entire wedding party. All rentals require a credit card or cash deposit of (40) forty dollars. Deposit does not apply to the cost of rental. Credit cards will not be charged unless garments are returned damaged, lost, or late. Cash deposits will be refunded on date of return unless garments are returned damaged, lost, or late.

### **Late Returns**

All rentals are due back the Monday following the rental. Any late return is subject to a (\$10.00) ten dollar a day late fee. After (15) days garments are considered lost or stolen and are subject to replacement cost of such items.

### **Replacement Cost**

Replacement cost of items is the retail value of such items at time of rental. All items are priced individually and not as a package. All retail prices are subject to change without notice.

### **Cancellations & No-Shows**

Cancellations made less than (3) three days prior to rental are subject to a (\$15.00) fifteen-dollar cancellation and set-up fee. Cancellations made early than (3) days will receive a full refund unless such items were custom made or specifically made for that customer or wedding.

### **Packages**

Packages include: coat, pant, shirt, vest, tie, shoes, stud and cufflink set, and suspenders upon request. Packages do not include: socks, pocket squares, canes, top hats, or scarves. Such items may be rented at additional cost. Items may also be rented individually but are not considered a package and are priced separately.

### **Extended Rentals**

Any rental needed for longer than rental period is considered an extended rental and is subject to an extended rental fee. The rental period is (4) four days or less. Extended rental fees are applied on date of pick-up. The extended rental fee is a rental + ½ of the rental. All extended rentals may not exceed (14) fourteen days. Additional fees are applied to rentals over (14) fourteen days.

### **Liability**

All rentals must be tried on prior to the rental leaving the store to ensure proper fitting. All measurements received from other establishments are not guaranteed.

### **Taxes**

Packages and pricing do not include taxes. All taxes will be applied in accordance with state and federal law at time of payment.

### **Personal Property Left in Rental**

Rome's Tuxedos is not responsible for any personal property left in garments or garment bag.
